## Education

**University of Southern California**  
Master of Science in Computer Science

**Los Angeles, CA, USA**  
May 2017

**University of Illinois at Urbana-Champaign**  
Master of Science in Financial Engineering (GPA: 3.34/4)

**Urbana, IL, USA**  
December 2013

**University of Illinois at Urbana-Champaign**  
Bachelor of Science in Electrical Engineering (GPA: 3.36/4)

**Urbana IL, USA**  
May 2012

## Professional Experience

### **Eagle Seven Trading**

Associate Trader

**Chicago, IL, USA**  
February 2014 – December 2014

- Managed positions of trading portfolios in a fast-paced environment to optimize for risk and performance under different market conditions.
- Conducted research for trading strategies using R and Bloomberg market data.
- Developed utility to estimate profit and loss in C#.

### **Pictet & Cie (Europe) S.A., Hong Kong Branch**

Discretionary Portfolio Management Intern

**Hong Kong, China**  
May 2013 – August 2013

- Developed software tools to back-test various figures of value-at-risk.
- Determined regression factors for the group's actively managed portfolio using a large database of historical values.
- Explored various different factors in a multivariate regression in order to capture price momentum and portfolio performance indicators.
- Implemented Monte-Carlo simulation to forecast day-to-day portfolio performance.

### **Rogers Research Group**

Undergraduate Research Assistant

**Urbana, IL, USA**  
June 2011 – January 2012

- Worked extensively in cleanroom facilities to fabricate semiconductor devices for the Electronic Fly-Eye project.
- Attained proficiency in laboratory procedures and equipment use.

### **Good Mind Industries Co., Ltd.**

Intern

**Kaohsiung, Taiwan**  
June 2010 – July 2010

- Validated set-top box samples before shipment to clients.
